

Funding the Tenant Resource Center

TRC is funded by Dane County Human Services, the City of Madison, and Community Shares of Wisconsin. Other sources of funding are derived from statewide seminars, publication sales, and generous donations.

In 2007, the Tenant Resource Center suffered a loss of almost \$100,000 when US Department of Housing and Urban Development (HUD) and the Associated Students of Madison (UW ASM) discontinued funding for two major programs. Because we believe that what we do for tenants and landlords throughout Wisconsin is so important, your gift will help us to continue our mission. Any contribution is greatly appreciated!

Mission Statement

Tenant Resource Center (TRC) is a non-profit, membership organization dedicated to promoting positive relations between rental housing consumers and providers throughout Wisconsin. By providing information and referrals, education about rental rights and responsibilities, and access to conflict resolution, we empower communities to obtain and maintain quality affordable housing.

You asked for it...and you got it!

Now it's even easier to give to the Tenant Resource Center. Be a **sustaining donor** to the Tenant Resource Center—just sign up to have a **monthly contribution automatically deducted from your checking or savings account.**

Here's the catch: in order to cover the small administrative start-up costs of this new program, we need at least 50 donors to sign up. Be one of the first sustaining donors and we won't send you a tote bag or a t-shirt, but you will have our undying gratitude and recognition. All sustaining donors are automatically listed as sponsors for all TRC events (unless you indicate a preference otherwise).

Being a sustaining donor to the Tenant Resource Center helps supply a steady and reliable source of funding for the organization, saving staff valuable time and energy that can be used to help our clients more quickly.

Return the enclosed form with a voided check or deposit slip and we will begin deducting your monthly contribution by the end of the following month. The minimum monthly contribution is \$5. Contributions will generally be deducted around the same time each month.

Thank you for your ongoing support of the Tenant Resource Center!
